

Moozie Teaches Kindness

– a preschool kindness development curriculum that *really* works.

“We have never used a curriculum that has generated so many positive comments from parents as Moozie’s Kindness Curriculum.”

– Kevin, Preschool Director

Children are
captivated by Moozie
the lovable cow puppet.

The Lessons deliver engaging activities that will transfer the essential social and emotional skills of being:

- *Kind to Animals*
- *Kind to the Earth*
- *Kind to Others*
- *Kind to Self*

This curriculum fulfills the Head Start Performance Standards, High Scope’s C.O.R. standards and is consistent with the NAEYC guidelines for curriculums 2.B

Moozie's *Easy to Teach & Fun to Learn* Kindness Curriculum

What Others Have Said ...

"This is the best social development curriculum I have ever used. I cannot believe the change in my student and the entire environment of my classroom. Moozie is marvelous!"

–Tracy, Teacher.

"Dr Moore's "call and response" method of presenting songs is perfect for my preschoolers." – Mimi, Teacher

"I have used four different curriculums to teach the principles that are in the Moozie's Kindness curriculum kit. I experienced more acceptance from the children and consequently more improvement in their behavior with Moozie than any other curriculum." – Teresa, Teacher

Comes with 14 special take home items and activities to engage parents.
